

DAY 0 - Tuesday 10 November

Site visits

DAY 1 - Wednesday 11 November

9:30 - 10:15 Official Opening

10:15 - 11:00 What is the State of Batteries in Europe? Setting the scene

11:00 - 11:30 **Networking Coffee**

11:30 - 12:30 *Plenary Session*

Innovating Before the Battery Exists:
From Mining to Refining and Recycling

12:30 - 14:00 **Networking Lunch**

14:00 - 15:30 *Plenary Session*

Building a Meaningful Value Chain with
International Players

15:30 - 16:00 **Networking Coffee**

16:00 - 17:30 Innovating at Scale: Making Gigafactories Work

19:00 - 23:00 **Conference Dinner** at the Münchenbryggeriet

11:30 - 12:30 *Breakout Session*

Advanced Materials Innovation

14:00 - 15:30 *Breakout Session*

The Machines Behind the Cells: From
Manual to Autonomous Factories

DAY 2 - Thursday 12 November

9:00 - 10:30 Pumping Power into Batteries: Investing in What Moves the World

10:30 - 11:00 **Networking Coffee**

11:00 - 12:00 *Plenary Session*

The Battery Imperative for Heavy-
Duty and Commercial Vehicles

12:00 - 13:00 **Networking Lunch**

13:00 - 14:30 *Plenary Session*

Keeping the Lights on: Innovation in
Stationary Battery Systems

14:30 - 15:00 **Networking Coffee**

15:00 - 16:15 Battery Beyond 2027

16:15 Closing Remarks

11:00 - 12:00 *Breakout*

Maritime Electrification: Batteries
at Sea

13:00 - 14:30 *Breakout*

Powering Security: Batteries for
Defence and Strategic Autonomy
